MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Contract No. PF-400 with Granger Associates,
Palo Alto, California, Froject CHALICE

25X1A2d1

- 1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.
- 2. Contract PF-400 is being issued to Granger Associates for the procurement of necessary design, development and fabrication of one (1) system embodying the principals of the 25X1A5a1 Deception Repeater and engineering assistance during flight testing of the system. Contractor, utilizing overtime as required, plans to deliver the system within 3½ months. Because of the necessary development required the contract is being issued on a CPFF basis.
  - 3. The estimated cost and fixed-fee for this work is and is chargeable to Project CHALICE funds during Fiscal Year 1958. It is anticipated that the Definitive Contract will be issued by 15 August 1958 at no increase in obligation. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.
  - 4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
